

The Big 3

1. *Lock your doors and roll up windows.*
2. *Don't leave behind valuables in plain view.*
3. *Don't leave keys in a parked vehicle, idling or not*

Prevention of
Auto Theft and
Theft From
Auto's...

What can **YOU**
Do...

DON'T be an
easy target

Protection Tips

-Remove possessions from vehicle such as:

-spare change

-electronics

-wallets/purses

-Keep garage door opener out of sight or keep with you.

-Don't keep vehicle keys in plain sight in unattended parked vehicle.

-don't leave vehicle idling with keys in unattended

-Use an anti-theft device such as

-Immobilizer

-Car Alarm

-Steering wheel club

-If vehicle parked for prolonged period of time, disconnect and remove battery

-consider security screws for your license plate to make theft of license plate more difficult.

-Have your V.I.N. of vehicle and any important electronics/tools recorded somewhere safe.

-Don't hide spare keys on or in your vehicle... they can be found!!

Lock
